## ...Mission Statement...

The mission of the Infant Toddler Program is to provide relationship focused early intervention services to families of children with special needs.

Holly Ridge Center is an organization with more than forty years of service to the community. The Infant Toddler Program is certified by the State of Washington as follows:

- ★ Neurodevelopmental Program by the Department of Health
- ★ Non-Public School Agency by the Office of the Superintendent of Public Instruction
- ★ Developmental Disabilities Center through the Department of Social and Health Services

## Funding for Services

- ★ Insurance, health benefit plans and/or Medicaid payments are accepted for medical/therapy services provided by the **Infant Toddler Program** staff.
- ★ For children who qualify, other funding sources may include local school districts, state, and federal funding programs.
- ★ HRC will work with you to review your financial responsibility and help you to access all available funding sources.
